NORTH NORTHUMBERLAND AREA VISIT

THURSDAY 9TH JULY 2026

The Newcastle and North of England Law Society is pleased to invite Northumberland solicitors to a lunchtime meeting with our President, Lesley Fairclough, on **Thursday 9th July 2026 at Ad Gefrin**, South Road, Wooler NE71 6NJ. Arrival from **12:30pm for a 1:00pm** start. Please note, you will be able to work in the room after the meeting if needed.

2026 marks our Bicentennial year – 200 years since The Newcastle Law Society was founded in 1826, just one year after The Law Society. As one of the oldest regional law societies in England, we are proud of our long-standing commitment to professionalism, service and the legal community.

This milestone year also reflects an exciting period of growth. Following the coming together of Tees Valley Law Society and Carlisle & District Law Society, we now move forward as The Newcastle & North of England Law Society – representing the strength and diversity of the profession across our region.

As we celebrate 200 years of achievement, we do so by honouring the past and preparing for the future. With an exciting programme of events, CPD seminars and celebrations planned for 2026/27, now is a fantastic time to become a member of the Society and be part of this landmark chapter in our history. Information about our membership categories can be found on our website together with the evolving programme of events.

This meeting is an opportunity to meet our President, hear about the Society's work, and raise any matters of interest or concern. A sandwich lunch will be provided at £20pp and there may be an opportunity to have a look around afterwards. If you have a particular question you would like us to address please let us know.

To confirm your firm's attendance and number of delegates, please email the Society.
